# Fall 1936 Price List of SUPERIOR GLADS

In this list is being offered more new varieties than I have offered at one time before and perhaps one of the most complete lists of new varieties offered by any grower. Since most of them were not described in my 1936 catalogue, I am giving the names of the originators of most of those listed for the first time and a brief color description. I expect to give more complete descriptions in my spring catalogue but may not issue a hand-book as I have for the past few years due to fact that very few Glads except the first to bloom were able to give a typical performance this year due to lack of water which is ordinarily supplied by overhead irrigation. I expect to be able to offer just as good bulbs as before but the crop will be perhaps a little smaller.

For descriptions of older varieties see last year's catalogue. A brief word follows regarding some of the new ones. ABABA is a new red with many open. ABE is the improved Betty Nuthall. For fine lilac coloring, ALAYNE is one of the best. ALRAUNE, small salmon pink and white ruffled. AMBERGLOW, rich amber yellow. ANGELES, beautiful pink and white. ANGKOR, yellow and red. BEAUTIFUL OHIO, lavender rose. BEOWULF, tall late lavender. BETSY BOB-UP, light sport of Nuthall. BLUE SCHONHEIT, BLUE JOY, BLUE PREMIER, and BOY BLUE are all new blues from medium to light in color. CAMILLE FLAMARRION is an older blue not well known. CARIOCA, heat resistant brick red. CANARI, red and yellow. CENTENARY TRIUMPH, salmon with many open blooms. CENTURY OF PROGRESS, good laciniated variety. CADENCE and CLIMAX, laciniated varieties. CRAIGIE, salmon rose flecked slate. DA CAPO, one of the finest light pinks with white throat, early. DARVEL, bright red. DECEMBER SNOW, commercial white. F. R. S., an improved Bill Sowden. GALLANT LADY, pink and white. GEN. MAISTRE, scarlet with red blotch. GOLDSTAUB, perhaps the best extra early deep yellow. GRUNES LICHT, ruffled greenish white. HARLEKIN, odd red and yellow prim. HEILIGTUM, fine new white. ISOLA BELLA, lilac pink. JALNA, one of the finest and most novel smokies. JERSEY CREAM, fine cream commercial. LESCHI, very rich velvety purple red. LOUIS D'OR, Orange yellow prim. MAC, beautiful bright red. MADRIGAL, salmon pink. MAJOR BOWES, salmon with yellow throat. MAVIS, rose pink. MAYA MAID, brown. MAXWELTON, rose. MILLIE PARKS, improved D. A. Hay. NEW ERA, beautiful ruffled pink. NINO MARTINI, rose red. OEGANDA, blackest Glad. OPAL QUEEN, golden buff, orange, and grey. PACEMAKER, giant pink with white throat. PHEBUS, medium blue. PREMIER, ruffled apricot salmon. RAQUEL, white, throat penciled red. RAY-SHEEN, large lavender blue. RESOLUTION, fine bright red with long spikes. RISING SUN, a brighter Mrs. Errey. REGENT, bright red with many open. ROY-AL PINK, rosy pink. SOUTHPORT, lilac pink, best of Mair's new ones. THE BOUNTY, red with many open. TRAUMEREI, light lavender. WHITE ZOMBIE, large white shaded pink. WINGS OF SONG, pink with white throat.

My 1937 catalogue is to list several new varieties of my own introduction. Of my former varieties, Flaming Meteor is in much demand and those desiring it in quantity should get in touch with me early.

## TERMS

On orders of \$5.00 or more, a cash discount of 10% may be deducted; 15% on orders of over \$20.00. These discounts apply to cash orders and do not cover collections which are net. Prices prepaid except on foreign orders for large bulbs listed at \$5.00 per 100 or less on which 50c per 100 should be added for transportation.

Fall orders may be shipped around Dec. 1st or held until spring. I aim to send out only healthy, true-to-name stock and in case of error I gladly make adjustment. All stock treated for thrips.

## PRICES

As this list goes out in advance of most lists of the newer varieties prices are not established on some sorts and should other well known reliable growers list novelties for less than quoted here, I shall endeavor to meet their prices where stock permits. This offer does not apply on the cheaper commercial Glads of which I grow but limited quantities. One bulb may be purchased at one-eighth the price of ten, or ten at 8 times the price of one; five bulbs at the ten rate and 25 at the hundred rate.
